?What if everything you set yourself up to be was wrong

Frances has always been a study machine with one goal: elite university. Nothing will stand in her way. Not friends, not a guilty secret—not even the person she is on the inside

But when Frances meets Aled, the shy genius behind her favorite podcast, she discovers a new freedom. He unlocks the door to Real Frances and for the first time she experiences true friendship, unafraid to be herself. Then the podcast goes viral and the fragile trust between them is broken

Caught between who she was and who she longs to be, Frances's dreams come crashing down. Suffocating ...with guilt, she knows that she has to confront her past

...She has to confess why Carys disappeared

.Meanwhile at university, Aled is alone, fighting even darker secrets

It's only by facing up to your fears that you can overcome them. And it's only by being your true self that you can find happiness

.Frances is going to need every bit of courage she has
