תקציר:

Marcus Caster-Rupp has a secret. The world may know him as Aeneas, star of the biggest show on television, but fanfiction readers call him something else: Book!AeneasWouldNever. In this charming celebrity romance, Marcus gets out his frustrations with the show through anonymous stories about the internet's favorite couple, Aeneas and Lavinia. But if anyone discovered his online persona, he'd be finished in Hollywood.

April Whittier has secrets of her own. A hardcore Lavinia fan, she's long hidden her fanfic and cosplay hobbies from her "real life"--but not anymore. When she dares to post her latest costume creation on Twitter, her plus-size take on the character goes viral. And when Marcus asks her out to spite her internet critics, truth officially becomes stranger than fanfiction.

On their date, Marcus quickly realizes he wants more from April than a one-time publicity stunt. But when he discovers she's Unapologetic Lavinia Stan, his closest fandom friend, he has one more huge secret to keep from her.

With love and Marcus's career on the line, can the two of them stop hiding once and for all, or will a match made in fandom end up prematurely cancelled?
